### AIMGBC NAC-OSCE WORKSHOP 2018

Dear AIMGBC members:

We are very pleased to announce our NAC-OSCE preparation workshop for the upcoming fall 2018 examination.

Due to the resident's availability we managed to coordinate with them to do a preparation session this coming Sunday July 22nd.

Please note that the workshop registration will be on July 18th from 5pm to 6:30pm. As we are working to finalize the details with the residents we will provide the full workshop's schedule at a future date.

The Educational Committee has been working very hard to schedule this NAC-OSCE preparation workshop.

As usual, the workshop will consist of:

- An introduction on how to cover topics such as NAC-OSCE communications, professional behaviour, and a hands-on NAC-OSCE simulation with some sample scenarios
- OSCE Review Cases.

The cost for all the sessions is \$250CAD. At the moment we only receive cash on the registration date.

Given the hands-on experience of this workshop, **space is limited** and we will register interested participants in a first come, first served basis.

Don't lose this great opportunity. **Please note that the registration date for interested members is July 18<sup>th</sup> from 5:00 – 6:30pm at St. Paul's Hospital.**

If you are interested in joining the next upcoming AIMG BC-NAC OSCE Workshop, please send an email to [info@aimgbc.com](mailto:info@aimgbc.com)

If you have any questions please don't hesitate to contact us.

We hope to see you there!
